

# MELLOY'S

## VEHICLE PROTECTION PLAN

**WE'LL KEEP YOU MOVING!**

Avoid the expense and inconvenience of major repairs once your factory warranty has expired.

Purchase up to

**120,000**

**MILES OF COVERAGE**

depending on the age and mileage of your vehicle

Use at over

**6,000**

**AUTHORIZED SERVICE CENTERS**

in the US and Canada

- Plan begins on purchase date; a deductible may be required, depending on the plan you choose
- Transferrable if you sell your vehicle

CAN WE PROVIDE A  
**CUSTOM QUOTE?**

### PLANS INCLUDE\*:

Repair of Covered System/Issue  
Alternate Transportation Coverage  
Towing Coverage  
Travel Coverage Away from Home  
Transferable if You Sell Your Vehicle

### THREE COVERAGE LEVELS OF VEHICLE PROTECTION

Choose the one best for your vehicle and your driving needs.

Ask your Service Advisor for a custom quote, based on your vehicle's age and mileage.

We're here to keep your car or truck on the road, and make any needed repairs as easy, fast and convenient for you as possible.

\* Coverage level availability may be limited based on the age, mileage, make and model of your vehicle. Deductibles may apply.

**Sales:** 505-337-0798 **Service:** 505-337-0581 **Parts:** 505-337-0604  
9621 Coors Blvd NW Albuquerque, NM 87114

## POWERTRAIN COVERAGE\*

Our basic Powertrain package offers protection against covered mechanical breakdowns of the engine, transmission, and drive axle.

**ENGINE:** All internally lubricated parts contained within the engine, plus the following: intake manifold; exhaust manifolds; balance shaft; water pump; fuel pump, diesel injection pump, diesel oil controlled fuel injectors; thermostat; oil pump; rotor housing, rotors, shims & silent shaft; all internal fasteners, nuts & bolts; turbocharger/supercharger assembly including boost valve, boost pressure control, wastegate, recirculation & blow off valve; seals & gaskets.

**TRANSMISSION/TRANSAXLE/TRANSFER CASE:** All internally lubricated parts contained within the transmission, transaxle & transfer case, plus the following: all internal fasteners, nuts & bolts; shift cover & forks; bell housing, components within the bell housing; torque converter; external valve bodies, control units & solenoids; seals & gaskets.

**DRIVE AXLE:** All internally lubricated parts contained within the differential/axle housing(s), plus the following: cover; 4x4 locking hubs & electric or vacuum actuator; seals & gaskets.

**ADDITIONAL HYBRID/PLUG-IN ELECTRIC/COMPRESSED NATURAL GAS/HYDROGEN COMPONENTS:** Electric motor/generator(s) all internal components; inverter/converter/transformer units including all internal components & cover; continuously variable transmission & all internal components; power split device & all internal components; reduction/reducer box & all internal components; seals & gaskets.

## GOLD COVERAGE\*

Gold offers all of the same features of Powertrain plus additional coverages:

**ENGINE:** Oil pan; valve, timing and side covers; thermostat housing; water pump pulley; engine mounts; harmonic balancer; flex plate/flywheel & ring gear.

**COOLING:** Radiator, mounting brackets & coolant recovery tank; fan clutch, fan blades & motor; fan shroud; heater core; transmission oil cooler; engine oil cooler.

**TRANSMISSION:** Oil pan; detent cable; kickdown link; throttle cable; vacuum modulator; transmission mounts.

**DRIVE AXLE:** Constant velocity joints & boots; slip joint; front wheel drive axles/half-shafts & wheel bearings; u-joints; couplings; flex disc; prop shafts; center support bearings.

**STEERING:** Tie rods, idler and pitman arms, center/drag link, coupling & shafts; cooler lines; steering gear housing & internal parts; rack and pinion housing & internal parts; power steering pump & internal parts including reservoir; electric steering motor; power steering pump or electric steering motor mounting brackets; seals and gaskets.

**BRAKES:** Compensator/proportioning valve; metering valve; calipers, wheel cylinders; backing plate; brake adjusters & brake hardware; brake pedal, pedal lever & pedal pivot; parking brake linkage/ratchet assembly & cable; anti-lock braking system component parts including control processor/module, pump, dump valve, wheel speed sensors, solenoids, accumulator, yaw rate sensor, & pressure differential switch; master cylinder; vacuum or hydraulic brake booster assembly; hydraulic lines, hoses and fittings; brake pedal apply pin; seals and gaskets.

**AIR CONDITIONING:** Accumulator; receiver drier; automatic temperature control programmer; clutch assembly including coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner, bearing and pulley; condenser; compressor; evaporator; orifice/expansion valve; seals and gaskets.

**FRONT/REAR SUSPENSION:** Upper and lower control arms, shafts & bushings; upper & lower ball joints; struts; wheel bearings/hubs; spindle/steering knuckle & spindle support; coil & leaf springs, seats & bushings, leaf spring shackles; track bars, links & bushings; electronic level control components including pump, accumulator, lines, bags; stabilizer bar, links & bushings; kingpin; torsion bar, mounts and bushings; tension rods/radius arm.

**ELECTRICAL:** Front & rear wiper motor, transmission & linkage; power window motor; window regulators; power seat motor; steering column multi-function switch & individual switches for turn signal, headlamp, dimmer, wiper, washer & cruise control; clock spring/spiral cable; mirror motor switch; brake light switch; neutral safety switch; glove box light switch; courtesy light switch; cooling fan relay; air control solenoid; air regulator valve; idle air control motor; electronic ignition module; ignition coil; engine distributor including shaft, gear, bushings & modules; electronic throttle control; gas pedal position sensor/assembly; throttle position sensor; vehicle speed sensor; manifold absolute pressure sensor; knock sensor & barometric pressure sensor; alternator; alternator mounting bracket, voltage regulator; starter motor, solenoid and drive.

**ADDITIONAL HYBRID/PLUG-IN ELECTRIC/COMPRESSED NATURAL GAS/HYDROGEN COMPONENTS:** Motor/generator belt tensioner; drive motor dampener; voltage inverter reservoir; three-phase high voltage cables; hydraulic or electric regenerative braking system; hybrid/EV/hydrogen battery (nickel-metal hydrate or lithium-ion drive propulsion battery) including the case & mounting hardware, junction block, main battery cable, & frame wire; onboard battery charging system including charge controller, plug in outlets, plug in cable, & trickle charger cable; electric AC compressor & motor; electric steering rack, gear, & motor; electro/hydraulic power steering pump & reservoir; hydrogen fuel cell stack; battery cooling pump; seals & gaskets.

## PLATINUM COVERAGE\*

In addition to offering the same features of Powertrain and Gold, Platinum expands to cover many assemblies of your vehicle, giving you the "Ultimate Peace of Mind" protection.

**PLATINUM IS EXCLUSIONARY COVERAGE:** This means it covers your vehicle's assemblies unless listed under the Exclusions section of the Vehicle Protection Plan.

**PLATINUM EXCLUSIONS:** Brake linings, brake drums and rotors, disc brake pads, standard manual transmission clutch friction disc, pressure plate, pilot bearing, throw-out bearing and arm, air bags, solar powered devices, glass, lenses, sealed beams, body parts and/or panels, weather stripping, trim, moldings, lock cylinders, tires, wheels, all batteries except Hybrid/EV/Hydrogen High Voltage batteries as listed under Gold Coverage, light bulbs, upholstery, paint, bright metal, freeze plugs, filters, heater and radiator hoses, exhaust system, catalytic converter, shock absorbers, work such as front-end alignment or wheel balancing (except when required in conjunction with a mechanical breakdown), safety restraint systems, audio/security or other systems not factory installed, or vinyl and convertible tops.

### Peace of Mind for Vehicle Repairs

Can we give you a custom quote to protect your vehicle and your pocketbook?

\* Coverage level availability may be limited based on the age, mileage, make and model of your vehicle. Deductibles may apply. This optional Vehicle Protection Plan will not pay or reimburse for mechanical breakdowns caused by misuse, abuse, negligence (including the negligence of any repair facility), improper towing, lack of maintenance of the failed covered part, contamination, damage as the result of continued operation with an overheat condition, lack of coolant or lubricants, lack of oil viscosity, sludge, restricted oil flow, salt, rust and rust damage, environmental damage or chemicals. . See service contract for additional details.
